Meeting Agenda

Meeting Facilitator: Margaret Norton-Arnold

6:30 p.m. Welcome/Meeting Overview/Task Force Housekeeping
--Margaret and Patty Charnas

6:40 Permitting Process: Where the Designations Lead
--Dave Greetham

6:50 Review of Task Force and County Responses to the Proposed Natural Designation
--Margaret, Dave Greetham, Kathlene Barnhart

7:10 Urban and Rural Conservancy Uses and Modifications
--Dave Greetham, Kathlene Barnhart

7:30 Break

7:40 Task Force Discussion on Urban and Rural Conservancy Designations

8:45 Public Comment

8:55 Tee Up for May 5 and Adjourn
Given the amount of work ahead, the next three meetings are likely to adjourn at 9:00 rather than 8:30 – this is the case for our meeting on April 7.

Dave Greetham will start the meeting with a brief presentation on the permitting process in Kitsap County, using a bulkhead permit as an example. This will enable you to clearly see where your work will end up – the guidance you are providing to the County now will result in regulations that will lead to a revised permitting process.

In March you discussed your initial reactions to the proposed Natural Designation areas of Kitsap County. Since that time you also participated in a questionnaire exercise to further explore your opinions on this subject. Margaret will summarize the results of this effort with the group, and County staff will present how your comments have been addressed in revised Natural Designation Management Policies.

The primary focus of this meeting will be on the proposed Urban and Rural Conservancy designations for Kitsap County. We have provided materials for you to review in advance on this subject; please come prepared to share your opinions and perspectives on these proposed designations.

Public Comment
Ten minutes of public comment are built into all of our meeting agendas.

Tee up for May 5: We will be discussing the shoreline residential designation.

Thanks all! And we look forward to a very productive meeting!
